FOR A CONDOMINIUM**

CONDOMINIUM PROJECT NAME	62-164 EMERSON
Project Address	62-164, 62-170, and 62-184 Emerson Road Haleiwa, Hawaii 96712
Registration Number	7318 (conversion)
Effective Date of Report	December 3, 2012
Developer(s)	Moku'aina Properties, LLC

Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

THERE ARE COUNTY RESTRICTIONS ON THE NUMBER OF RESIDENTIAL DWELLING UNITS, OR OTHER STRUCTURES, WHICH MAY BE BUILT UPON THE PROPERTY. THEREFORE, UNLESS THE PURCHASER IS PURCHASING AN EXISTING RESIDENTIAL DWELLING, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING UNIT ON THE PROPERTY. THERE ALSO IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. THE PURCHASER SHOULD CONSULT WITH THE APPROPRIATE COUNTY AGENCIES TO DETERMINE WHETHER THE PURCHASER MAY BUILD A RESIDENTIAL DWELLING UNIT, OR ANY OTHER TYPE OF STRUCTURE, UPON THE PROPERTY.

1. This Public Report does not constitute an approval of the project by the Real Estate Commission or any other governmental agency, nor does it ensure that all county codes, ordinances and subdivisions requirements have necessarily been complied with.

2. This Project does not involve the sale of individual subdivided lots. The land area beneath and immediately adjacent to each unit as shown on the condominium map is designated as a limited common element and does not represent a legally subdivided lot. The dotted lines on the condominium map merely represent the approximate location of the limited common element assigned to each unit.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS FOR FURTHER INFORMATION REGARDING THE FORGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

See Exhibit A .						

3	Total Number of Units
---	------------------------------

Note: Net Living Area is the floor area of the unit measured from the interior surface of the perimeter walls of the unit. Other documents and maps may give floor area figures that differ from those above because a different method of determining floor area may have been used.

1.4 Parking Stalls

Total Parking Stall in the Project:	6
Number of Guest Stalls in the Project:	0
Number of Parking Stalls Assigned to Each Unit:	2
Attach Exhibit _____ specifying the Parking Stall number(s) assigned to each unit and the type of parking stall(s) (regular, compact or tandem and indicate whether covered or open).	
If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights.	
See Exhibit "G"	

1.5 Boundaries of the Units

Boundaries of the unit: The boundary of each unit is the exterior finished surfaces of the units perimeter walls, floors, roof, doors, and foundations.
--

1.6 Permitted Alterations to the Units

Permitted alterations to the unit (if the unit is defined as a non-physical or spatial portion of the project, also describe what can be built within such portion of the project): Non-structural interior alterations do not require any consent. See Section 15.0 of Declaration.

1.7 Common Interest

<u>Common Interest</u> : Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:	
Described in Exhibit _____.	
As follows:	
Unit A	33.1/3%
Unit B	33.1/3%
Unit C	33.1/3%
Total	100.00%

1.8 Recreational and Other Common Facilities (Check if applicable):

<input type="checkbox"/>	Exercise Room
<input type="checkbox"/>	Security Gate
<input type="checkbox"/>	Playground
<input type="checkbox"/>	Other (describe):

1.9 Common Elements

Common Elements: Common elements are those parts of the condominium project other than the individual units and any other real estate for the benefit of unit owners. Although the common elements are owned jointly by all unit owners, those portions of the common elements that are designated as limited common elements (see Section 1.10 below) may be used only by those units to which they are assigned. In addition to the common facilities described in Section 1.8 above, the common elements for this project, as described in the Declaration, are set forth below.

Described in Exhibit B _____.

Described as follows:

Common Element	Number
Elevators	0
Stairways	0
Trash Chutes	0

1.10 Limited Common Elements

Limited Common Elements: A limited common element is a portion of the common elements that is reserved for the exclusive use of one or more but fewer than all units in the project.

Described in Exhibit B _____.

Described as follows:

1.11 Special Use Restrictions

The Declaration and Bylaws may contain restrictions on the use and occupancy of the units. Restrictions for this project include, but are not limited to, those described below.

<input checked="" type="checkbox"/>	Pets: Domestic pets are permitted. Bylaws, Art. V, Section 3.A(10).
<input type="checkbox"/>	Number of Occupants:

<input type="checkbox"/>	There are no special use restrictions.

1.12 Encumbrances Against Title

An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of a unit in the project. Encumbrances shown may include blanket liens which will be released prior to conveyance of a unit (see Section 5.3 on Blanket Liens).

Exhibit C _____ describes the encumbrances against title contained in the title report described below.

Date of the title report: October 8, 2012

Company that issued the title report: Fidelity National Title Insurance Company,

1.14 Other Zoning Compliance Matters

Conforming/Non-Conforming Uses, Structures and Lots			
<p>In general, a non-conforming use, structure or lot is a use, structure or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.</p> <p>If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above.</p> <p>A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.</p>

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Bureau of Conveyances	October 23, 2012	A-46820892

Dates of Recordation of Amendments to the Condominium Map: November 14, 2012, Doc. No. A-47010579.	

3.4 House Rules

<p>The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.</p>		
<p>The House Rules for this project:</p>		
Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

<p>Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.</p>		
Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	<p>Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House Rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:</p> <p>Developer reserved the right to: grant easements; make corrections to the Project Documents; and to make changes to comply with applicable law. See Section 16.0 of Declaration.</p>

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

The initial Condominium Managing Agent for this project is (check one):

<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit ____ contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input type="checkbox"/>	Electricity for the common elements
<input type="checkbox"/>	Gas for the common elements
<input type="checkbox"/>	Water
<input type="checkbox"/>	Sewer
<input type="checkbox"/>	TV Cable
<input type="checkbox"/>	Other (specify)

4.4 Utilities to be Separately Billed to Unit Owner

If checked, the following utilities will be billed to each unit owner and are not included in the maintenance fee:

<input checked="" type="checkbox"/>	Electricity for the Unit only
<input type="checkbox"/>	Gas for the Unit only
<input checked="" type="checkbox"/>	Water
<input checked="" type="checkbox"/>	Sewer
<input checked="" type="checkbox"/>	TV Cable
<input type="checkbox"/>	Other (specify)

5. SALES DOCUMENTS

5.1 Sales Documents Filed with the Real Estate Commission

<input checked="" type="checkbox"/>	Specimen Sales Contract Exhibit <u>D</u> contains a summary of the pertinent provisions of the sales contract. Including but not limited to any rights reserved by the Developer.
<input checked="" type="checkbox"/>	Escrow Agreement dated: October 23, 2012 Name of Escrow Company: Hawaii Escrow & Title, Inc. Exhibit <u>E</u> contains a summary of the pertinent provisions of the escrow agreement.
<input type="checkbox"/>	Other:

5.2 Sales to Owner-Occupants

If this project contains three or more residential units, the Developer shall designate at least fifty percent (50%) of the units for sale to Owner-Occupants.

<input checked="" type="checkbox"/>	The sales of units in this project are subject to the Owner-Occupant requirements of Chapter 514B.
<input type="checkbox"/>	Developer has designated the units for sale to Owner-Occupants in this report. See Exhibit ____.
<input checked="" type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.
<input checked="" type="checkbox"/>	There are <u>blanket liens</u> that may affect title to the individual units.

<u>Type of Lien</u>	Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance
Mortgage and Taxes	If a mortgage is foreclosed upon or a tax lien enforced a purchaser's contract would be terminated and all deposits would be refunded.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

Building and Other Improvements:
None by Developer. Contractor provided one (1) year standard warranty for renovations, if any.

Appliances:
None by Developer. Manufacturer's warranties will be assigned to the purchaser, if any.

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction: Unit A (62-164), Unit B (62-170) and Unit C (62-184) were constructed in 1960. Alterations and renovations were completed in 2012.
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract:
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. <i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i>
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

Box A <input type="checkbox"/>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
Box B <input type="checkbox"/>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1.	Developer's Public Report
2.	Declaration of Condominium Property Regime (and any amendments)
3.	Bylaws of the Association of Unit Owners (and any amendments)
4.	Condominium Map (and any amendments)
5.	House Rules, if any
6.	Escrow Agreement
7.	Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.
8.	Other:

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. The Condominium Property Regime law (Chapter 514B, HRS) and the Administrative Rules (Chapter 107, HAR), are available online. Please refer to the following sites:

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

NOT A SUBDIVISION. This is a condominium project which should not be confused with a subdivision. A purchaser of a unit will be conveyed a unit together with an "undivided" percentage interest in the common elements of the project. The entire parcel of land upon which the project is situated is designated as a common element. That portion of the common element which each purchaser has the exclusive right to use is called a limited common element or area, but is not a separate, legal subdivided lot.

MAINTENANCE FEES. Developer believes that there will be no maintenance fees. This is because all costs of every kind pertaining to each unit and its respective limited common element, including but not limited to, costs of landscaping, maintenance, repair, replacement and improvement shall be borne entirely by the respective unit owner. All utilities are separately metered except for water. However the Developer may install additional water meters or submeters. If there continues to be only one water meter the owners would each be responsible for 1/3rd of each water statement. Based on the foregoing, there is no schedule of maintenance fees attached to this Public Report.

MANAGEMENT OF THE PROJECT. The Project consists of only three units and will be self-managed. Accordingly, the Developer has elected that Part VI of Chapter 514B (relating to management) shall not apply to the Project.

LEAD WARNING STATEMENT. Pursuant to federal law, 42 U.S.C. 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazard is recommended prior to purchase". The Developer discloses that he does not have an assessment or inspections relating to lead-based paint.

HAZARDOUS MATERIALS The Developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The Developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutant, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the

purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The Developer will not correct any defects in the apartment or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

TAX AND OTHER LIENS. Tax and other liens shown on Exhibit C would be released prior to a unit sale.

ROADWAY PARCEL. As shown on the Condominium Map the project includes a 1/5th interest in the roadway parcel which provides access to this Project. The roadway parcel is sometimes referred to as "Remnant Parcel 22" or "Remnant Parcel" in the Project documents.

HIGHWAY IMPROVEMENTS. There is a highway adjacent to the Project. When the highway was constructed and developed it required various permits and approvals. Such permits and approvals included the Special Management Permit (File No. 89/SMA-33), the Haleiwa Special District Permit (file No. 89/HAL-8) and Subdivision No. 90/SUB-250 (collectively the "Permits"), as the same may be amended from time to time. These Permits are referred to in the Department of Planning and Permitting letter dated July 16, 2012 that is attached as Exhibit G. As far as known to the Developer all of the conditions of such permits were satisfied by the applicable applicants. A prospective purchaser will be assuming all risk and nuisances associated with being adjacent and or next to a public highway. Such nuisances may include noise and soot.

WASTEWATER. Each unit is serviced by its own cesspool. Cesspools require maintenance from time to time. Each unit owners is responsible for the servicing of its own cesspool

AS-IS CONDITION. Each prospective purchaser will be purchasing the Unit in as-is where-is condition with all faults. Accordingly Developer recommends that a purchaser obtain an inspection report from a qualified inspector. Because the Unit and structure is old, there may have been some alteration or renovations made in the past that were not done with a building permit. The only inspection report obtained by the Developer is the report prepared by Brad Nago dated October 10, 2012 which is attached Exhibit F. This should not be relied on by a purchaser. All recent renovations made to the Unit by the Developer were done pursuant to a building permit(s).

STRUCTURES. Section 15.0 of the Declaration contains restrictions affecting the renovation of units. Each unit will be limited to one dwelling and 1/3rd of the total living area and/or lot coverage for the Project. See Section 15.0 of the Declaration for further information.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

EXHIBIT "A"

Description of Units

The Project is hereby divided into the following three (3) freehold estates:

a. Unit A (62-164 Emerson). This one story unit consists of one freehold estate consisting of four bedrooms, kitchen, living room, two bathrooms, laundry room, a deck with stairs. The net living area of this unit is approximately 1,319 square feet and the deck (lanai and stairs) contains approximately 178 square feet. This unit has space for two uncovered parking stalls within its limited common element yard area.

b. Unit B (62-170 Emerson). This one story unit consists of one freehold estate consisting of three bedrooms, kitchen, living room, two bathrooms, and a lanai (deck) with stairs. This unit also has a four car carport. The net living area of this unit is approximately 853 square feet, the lanai with stairs contains approximately 377 square feet, and the detached carport contains approximately 759 square feet.

c. Unit C (62-184 Emerson). This one story unit consists of one freehold estate consisting of 4 bedrooms, 2 bathrooms, kitchen, living room and a lanai (deck) with stairs. The net living area of this unit is approximately 1,403 square feet, and the lanai with stairs contains approximately 879 square feet. This unit has space for two uncovered parking stalls within its limited common element yard area.

d. Living Areas. The net living areas were determined by a design professional based on the Condominium Map. Different design professionals may determine a different result. All areas are approximate.

EXHIBIT "B"

Common Elements

The common elements of the Project and which the units have immediate access to include:

- a. The land in fee simple, including a 1/5 interest in the Remainder Parcel, any easements for access and utilities described in the Declaration, Exhibit "A" and the Condominium Map. To the extent that this Project is responsible for a 1/5th share of the cost of maintaining the driveway improvements such as concrete or asphalt located on the Remainder Parcel it shall be treated as a common element and all expenses relating thereto shall be treated as a common expense of the Project.
- b. The central and appurtenant installations for services such as power, light, gas, telephone, sewer, drainage, hot and cold water and like utilities which services more than one unit and any easements for such utility services, if any.
- c. The common easements for drainage and all common or shared installations for underground and overhead utilities including electricity, water, telephone, and cable television which run over, upon or under the limited common or common elements, if any.
- d. All other parts of the Project existing for the common use or necessary to the existence, maintenance and safety of the Project including any easements for utilities and for ingress and egress to and from Emerson Road.
- e. The Project is presently serviced by one water meter. The Developer reserves the right to obtain separate water meters for the units or submeter the units. If submeters are installed, then each unit will be billed for its actual usage. The unit owners would have to determine when the submeters would be read and the charges allocated to each unit. The Developer does not have any obligation to install additional water meters or any submeters.

Limited Common Elements

The land area delineated and designated in the Condominium Map as limited common elements are limited common elements of a unit and consist of the following:

- a. Unit A (62-164 Emerson). The land area surrounding and under Unit A is a limited common element of Unit A and is for the exclusive use of Unit A and consists of approximately 9,008 square feet; subject however to the 44 foot wide easement for roadway purposes.
- b. Unit B (62-170 Emerson). The land area surrounding and under Unit B is a limited common element of Unit B and is for the exclusive use of Unit B and consists of approximately 4,936 square feet; subject, however to Easement 2 for cesspool purposes in favor of Unit C and the 44 foot wide easement for roadway purposes.
- c. Unit C (62-184 Emerson). The land area surrounding and under Unit C is a limited common element of Unit C and is for the exclusive use of Unit C and consists of approximately 4,540 square feet; subject, however to Easement 1 for cesspool purposes in favor of Unit B and the 44 foot wide easement for roadway purposes.

d. Roadway and Other Easements. Each of the units and their appurtenant limited common element land areas are subject to the 44-foot wide Easement for Roadway Purposes as shown on the Condominium Map and any easement for any and all existing utility lines poles, pipes and other utility services. The 44 foot wide easement is shown on the City and County of Honolulu Development Plan. The Developer believes that the road widening will not occur because of the Kamehameha Highway Realignment. The realignment of Kamehameha Highway occurred immediately adjacent to this Project. This realignment bisects the 44 foot wide easement.

e Any fences, walls or utility systems or lines which are located within the common or limited common land area and which services or benefits only one unit shall be deemed a limited common element of such unit.

EXHIBIT "C"

Encumbrances Against Title

1. Reservations in favor of the State of Hawaii of all mineral and metallic mines.
2. Requirements of the City Planning Commission of the City and County of Honolulu pertaining to the maintenance of an easement for a 44-foot roadway over Parcel A and Parcel 2 and as more fully described in instrument dated August 14, 1959, recorded in the Bureau of Conveyances, State of Hawaii in Book 3690, Page 200.
3. Rights and easements, if any, in favor of Hawaiian Electric Company, Inc., and GTE Hawaiian Telephone Company Incorporated, now known as Hawaiian Telcom, Inc., and The City and County of Honolulu, for pipe lines, pole and wire lines, and other utility purposes over, across, along, upon and under the land described herein, as set forth in Deed dated August 14, 1959, recorded in Liber 3690 at Page 200.
4. Rights of certain owners of adjacent lands over and cross existing roadways within the land described herein, as set forth in Deed dated August 14, 1959, recorded in Liber 3690 at Page 200.
5. Restriction of rights of vehicle access into and from Kamehameha Highway, pursuant to the rights (of access) acquired by the State of Hawaii, by Final Order of Condemnation, dated January 2, 1997, recorded as Document No. 97-076944.
6. Rights of others who may own undivided interest(s); or have easement or access rights, in said Parcel First and Second described herein.
7. Terms, conditions, reservations and restrictions contained in the Declaration of Horizontal Property Regime dated October 23, 2012, recorded as Document No. A-46820892, as amended by instrument dated November 6, 2012, recorded as Document No. A-47010579.
8. Condominium Map No. 5129, recorded in the Bureau of Conveyances, State of Hawaii, as amended by amendment dated November 6, 2012, recorded as Document No. A-47010579.
9. Terms, conditions, reservations and restrictions contained in the Bylaws of the Association of Unit Owners of Emerson Estates, dated October 23, 2012, recorded as Document No. A-46820893, as amended by instrument dated November 6, 2012, recorded as Document No. A-47010579.
10. For Real Property Taxes that may be due and owing reference is made to the Department of Finance, City and County of Honolulu. Any delinquent taxes will be brought current prior to a unit closing.

EXHIBIT "D"

Summary of Sales Contract

The Sales Contract contains the purchase price, description and location of the unit and other terms and conditions under which a Purchaser will agree to buy a unit in the Project.

Among other things, the Sales Contract:

1. Provides a section for financing to be completed and agreed to by the parties which will set forth how Purchaser will pay the purchase price.
2. Identifies the escrow agent and states that purchaser's deposit will be held in escrow until the Sales Contract is closed or canceled.
3. Requires that Purchaser must close the purchase at a certain date and pay closing costs, in addition to the purchase price.
4. Permits the Developer without the consent or approval of a purchaser to modify the Declaration, Bylaws Condominium Map or other documents provided that purchaser may cancel the Sales Contract and obtain a refund if such modification:
 - a. substantially and materially impairs the use and enjoyment of the unit;
 - b. substantially and materially alters the arrangement of the rooms or usable space of a unit or building;
 - c. renders unenforceable a purchasers' loan commitment;
 - d. increases the purchaser's share of common expenses or maintenance fees;
 - e. reduces the obligations of Developer of common expenses on unsold units.
5. Provides that the Developer is selling the units in "AS-IS WHERE-IS" condition. This means that the Developer is not making any warranties or representations with respect to the unit and Project.
6. If purchaser dies (any one of them) prior to closing, Developer has the right to return purchaser's funds, less any escrow cancellation fees and cost, and cancel the Sales Contract.
7. Provides that the closing cost shall be paid as follows:
 - a. By purchaser: title insurance, title report, drafting of unit deed and any note and mortgage, purchaser notary fees, recording fees, one-half of escrow fees, and also a start fee for common expenses, if any.
 - b. By Developer: Developer notary fees, conveyance taxes and one-half of escrow fees.
8. Provides the following remedies, in the event of default under the Sales Contract:

by purchaser:

- a. Developer may bring an action against purchaser for breach of contract;
- b. Developer may retain initial deposit;
- c. Purchaser shall be responsible for expenses incurred.

by Developer:

- a. Purchaser may bring an action against Developer for breach of Contract and for return of all deposits;
- b. Developer shall be responsible for expenses incurred.

Any awards to the prevailing party in any action are subordinate to escrow's expenses.

9. Provides that purchaser may not assign his/her interest in the Sales Contract without the prior written consent of Developer.

The Sales Contract contains various other provisions which purchaser should become acquainted with. If there is a conflict between the terms of this summary and the Sales Contract, the latter shall control.

EXHIBIT "E"

Summary of Escrow Agreement

The Escrow Agreement sets up an arrangement under which the deposits which a purchaser makes under a Sales Contract will be held by a neutral party ("Escrow"). Escrow is Hawaii Escrow & Title Incorporated. Under the Escrow Agreement dated October 23, 2012, these things will or may happen:

(a) Developer or Escrow will let purchasers know when payments are due and all monies received from a purchaser will be deposited in Escrow. Any interest earned on the deposits will belong to Developer.

(b) Escrow will arrange for purchasers to sign all necessary documents.

(c) The Escrow Agreement specifies when purchaser funds may be disbursed upon closing of a sale. The conditions include:

i) Escrow receives the purchasers' signed "Receipt for Public Report(s) and Notice of Right to Cancel";

ii) Escrow receives a certification from the Developer that the Sales Contract is effective and that the rescission right requirements in favor of purchasers have been complied with by the Developer; and

iii) The unit deed conveying the unit to the purchaser has been recorded in the Bureau of Conveyances.

(d) The Escrow Agreement says under what conditions a refund will be made to a purchaser. Refunds can occur under the following situations:

i) If Purchaser elects to cancel the transaction in accordance with the "Notice of Right to Cancel". The Notice provides that purchasers may cancel the Sales Contract if the signed notice is mailed, sent by telegram or faxed to the Developer before (1) the apartment is conveyed to purchaser or (2) midnight of the 30th day after delivery of the Public Report(s) to me, whichever is earlier.

ii) The Developer and purchaser agree to terminate the Sales Contract;

iii) if the Developer exercises any right to cancel the transaction which it may have reserved.

NOTE: If a transaction is cancelled, the purchaser must return all documents to the Developer.

(e) The Escrow Agreement says what will happen to a purchaser's funds upon a default under the Sales Contract. If a purchaser defaults, all deposits previously placed into Escrow will be forfeited by purchaser and Escrow may release such funds to Developer. See paragraph 11 of Escrow Agreement.

The Escrow Agreement contains various other provisions and establishes certain charges with which the purchaser should become acquainted. If there are any conflicts between the terms of this summary and the Escrow Agreement, the latter shall control.

The undersigned hereby declares that he has made a visual observation of the three dwellings located at the aforementioned address, which is a proposed conversion of the existing dwellings into a condominium project in accordance with Chapter 514B, HRS. Without having made any invasive examination of covered components, the undersigned makes the following report:

1. On or about September 10, 2012, I visited the dwellings at the above referenced property. According to public records, the dwellings were built around 1960 (except 62-184 was relocated in that year) with some renovations occurring to the dwellings in 2011-2012 in accordance with building permits that were issued for the same.
2. The structural components appeared to be in good condition and there was no visible evidence of unstable structural components and any damages to structural materials appeared to have been repaired; except as follows: N/A. No inspection was made of the roof.
3. The mechanical installations consisted of water and sewer line and individual cesspools. All supply piping, valves, and waste piping observed, appeared to be in satisfactory operating condition; except as follows: N/A.
4. The electrical installation consisting of meter boxes, circuit breakers, and electrical service entry into the individual dwellings, appeared to be in satisfactory operating condition; except as follows: N/A.
5. No representation is made regarding the expected useful life of the structural components and mechanical and electrical installations. All components and installations are subject to normal wear and tear and I disclaim any responsibility to conduct any further or additional inspections.

The undersigned further states that this report should not be relied upon by any purchaser of a unit in the Project. Given the age of the structures each prospective purchaser should hire and retain his own professional home inspector to conduct a thorough examination of the dwelling and all components. No report is made or given as to the existence or nonexistence of any hazardous materials including lead based paint and asbestos and the existence or nonexistence of any termites or other pest.

Dear Mr. Sakai:

Subject: Condominium Conversion Project
62-164, 62-170, and 62-184 Emerson Road
Tax Map Key: 6-2-012: 004

This is in response to your letter dated March 17, 2011, requesting verification that the structures on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the three one-story single-family detached dwellings with six unimproved and two all-weather-surface off-street parking spaces met all applicable code requirements when two were constructed (62-164 left dwelling, 62-170 middle dwelling) and one relocated (62-184 right dwelling) in 1960 on this 18,484-square-foot R-5 Residential-District-zoned lot.

Investigation also revealed the following:

1. The number of off-street parking spaces (eight), six unimproved and two all-weather surface, is considered nonconforming. The accessory carport structure is also considered nonconforming because it encroaches into the front-yard setback.
2. On June 20, 1990, a Special Management Area Permit (File No. 89/SMA-33) was approved with conditions to construct a portion of a new two-lane roadway to bypass Haleiwa Town.
3. On June 27, 1990, a Haleiwa Special District Permit (File No. 89/HAL-8) was approved with conditions for the Kamehameha Highway Bypass Road.
4. On August 8, 1991, a subdivision (File No. 90/SUB-250) was approved to subdivide for the Kamehameha Highway realignment.

5. On March 9, 2011, Document No. 2011-040382 (a Commissioner's Deed) was recorded with the State of Hawaii, Bureau of Conveyances, that the owners of Tax Map Key 6-2-012: 004 have an undivided 1/5 interest in Parcel 2, Tax Map Key: 6-2-012: 014 which is a portion of Emerson Road.
6. On September 23, 2011, three building permits (BP) were obtained (BP No. 678472 for 62-164 Emerson Road and BP No. 678473 for 62-170 Emerson Road to repair dwellings, and BP No. 678474 for 62-184 Emerson Road for addition, alteration, and repair to the dwelling. These permits are still active.
7. On February 9, 2012, three building permits were obtained (BP No. 686092 for 62-164 Emerson Road, BP No. 696093 for 62-170 Emerson Road, and BP No. 686094 for 62-184 Emerson Road) for additions and alterations to the dwellings. These permits are still active.

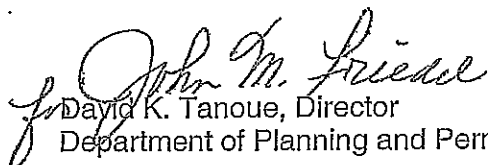

For your information, the Department of Planning and Permitting cannot determine all other legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No other variances or permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Alex Sugai of our Commercial and Multi-Family Code Enforcement Branch at 768-8152.

Very truly yours,

David K. Tanoue, Director
Department of Planning and Permitting
